INT. THERAPIST OFFICE - DAY

TODD and CARLY - a married couple - are at their first therapy appointment with DR. YATES in hopes of getting help.

Todd and Carly sit beside each other on the couch and Dr. Yates is facing them in an adjacent chair - she is doodling notes on a notepad.

DR. YATES

Have you ever been to therapy before?

Carly squeezes Todd's hand and they share excitement.

CARLY

Never. This is our first time.

TODD

(to Dr. Yates)

You're poppin' our therapy cherry!

Todd and Carly burst out in laughter. Dr. Yates stares at them with a fake smile and wide eyes.

DR. YATES

I see. So, what bring you two in here today?

TODD

(to Carly)

You go ahead and tell her, poopsie.

CARLY

Together?

TODD

1, 2, 3...

TODD/CARLY

(loudly)

SEX!

Dr. Yates jumps a little in her chair, then quickly adjusts back to her calm and professional demeanor.

DR. YATES

I see. Sexual issues are very common. I have many couples I counsel that experience a decline in their sexual activity as the years progress.

CARLY

Wait. Did you say, *decline*?

DR. YATES

Is that not the issue?

Todd looks at Dr. Yates with a very serious expression.

TODD

Dr. Yates, Carly and I have *too* much sex.

CARLY

We can't stop. We're like animals.

TODD

We even had a quickie in the bathroom right before we came in here.

Dr. Yates scribbles something on her notepad.

DR. YATES

I see. So, how often *do* you have sex?

CARLY

Let's see...probably, ten times?

TODD

Yeah...ten to twelve. Give or take.

DR. YATES

Per week?

CARLY

Per *day*.

DR. YATES

Ten to twelve times a day? Every day?

Todd and Carly nod YES.

DR. YATES (CONT'D)

Do you both work?

CARLY

We work from home. Todd's an amazing photographer and I'm an author.

TODD

Not just any author. A *best-selling* author.

Todd makes an animal-like noise. Carly and Todd look at each other sexually. Carly starts to rub Todd's earlobe.

CARLY

You have such sexy earlobes...I just want to...

DR. YATES

OKAY. Let's bring our attention back here, shall we? Do you have any children?

Carly and Todd turn and face Dr. Yates again.

TODD

I can't have children. They said my semen is too powerful.

Carly looks at Todd with lustful eyes.

DR. YATES

(confused)  
I've never heard of that before.

TODD

Well, that's what they said.

Todd meets Carly's lustful gaze.

CARLY

It's...too...powerful.

Dr. Yates looks at her watch and is ready to end this session.

DR. YATES

Well, it looks like our time is up for today.

Todd and Carly stay staring at each other. Dr. Yates tries to usher them along.

DR. YATES (CONT'D)

You two can leave now.

TODD  
(to Carly)  
Bathroom?

Carly raises an eyebrow.
